It was a small turnout this year for the event with only 32 cars but everyone had a great time and we had quite a few spectators looking at the cars as well.

Please spread the word for next year to increase attendance as I am sure there are plenty more MGs out there.

We held a 50/50 raffle and general raffle with gift cards to Dunkin Donuts and Starbucks as well as items from Harbor Freight.

The museum has a wonderful collection of cars and automobile memorabilia on display and it was great catching up with folks from various clubs in the area. I want to extend a special thank you to Dick Fabrizio, Judy Pruitt, Pete Wadsworth, and Ira Cohen for all their help with the show.

Safety Fast,

Jack Horner
