

BSMGAC Annual Meeting and Planned Events Schedule for 2015

The BSMGAC held its annual planning meeting on Sunday, March 1, 2015 at the home of Dana and Kathy Booth in Carlisle, MA. Starting around 1:00 we enjoyed food and MGA talk and had a little tech talk about MGA header rails for convertible tops. At 2:00 we started the meeting. We had a review of membership and treasurer and held elections. Membership renewals are down and we discussed ways to improve membership recruiting and renewals. There were no nominations and the current club officials were voted in for another year. They are:

President: Jack Horner

Vice President: Dick Fabrizio

Membership and Treasurer: Judy Pruitt

NAMGAR Representative: John Washington

We discussed the activities planned for the club this year, those we host and those we participate in with other clubs. Here is what we have planned:

May 3: Tech Session and Spring Tune Up at Jack and Jan Horner's in Westford, MA

May 31: Driving Tour (TBD)

June 7: British By The Sea sponsored by CMGC

The weather held with only a couple snow flakes and about 4:00 pm we had some additional food and folks started departing.

Please remember to get your annual dues to Judy Pruitt, 23 Elwell Rd., Jamaica Plain MA 02130. Dues are still only \$20. For those who have already paid, thank you! We have a lot of events to attend this year and if the weather is anything like last year it will be a great year of driving and enjoying our MGs. I am looking forward to seeing all of you at various events over the summer.
