

## BSMGAC activities in July and early August, 2015

The BSMGAC has had or participated in several car related shows and drives the past month or so. This is a recap of activities. Don and MaryJane Tremblay hosted the Summer Picnic on July 19 with a drive starting in Bolton, MA with 6 cars taking back roads to Rutland, MA. There were several cars already there. We talked cars and kicked tires and solved some technical issues. Food was served and beer consumed and the weather cooperated (although it was a very hot day). There were members that were new as well as others that we have not seen for a while. It was great to see everyone as well as the member's cars. Don finally has his car on the road again and it looks great. Thanks again go to Don and MaryJane for hosting the Picnic.

Several members met up at the British Cars of New Hampshire Show of Dreams on July 25 in Hudson, NH. There were around 175 cars there with the MGA being one of the featured cars. It was great catching up with members from other clubs and seeing all the great British cars.

The BSMGAC held a NorthEast MA driving tour hosted by Roy and Jane Crane on August 9. We started out in Wilmington, MA and drove to Newburyport, MA on back roads. We had 7 cars and picked up another along the way. It was a very nice drive that gave our left (clutch) leg a real workout! The weather was fantastic, not too hot and a little overcast in the morning turning to sun in the afternoon. We met up with some guests at "Not your Average Joe's" and had a very nice lunch. On the return leg of the trip we stopped at Bensen's Ice Cream for desert. This was a combined event with the MG T Party and it was great to see some of the older MGs with the MGAs. Thanks go to Roy and Jane for arranging the trip.

It was great to see everyone at each of these events.

Safety Fast,

Jack Horner  
President, Bay State MGA Club
