

Results of MG Day at the Larz Anderson Auto Museum 2016

The Bay State MGA Club hosted MG Day at Larz Anderson Auto Museum in Brookline, MA on August 20, 2016. As last year, this year we offered more classes so, participants had more opportunities to win an award. The museum provided a sound system with music and participants were given entry into the museum to see the displays there. We closed the balloting at 12:30 and started announcing the winners at 1:00 pm. We picked the 50/50 raffle winner and then went into the general raffle before closing out the show around 2:00 pm. Here are the winners from MG Day:

MG Pre-war

First: Elizabeth Crawford - 1933 MG J2

MG T Post-war

First: Unknown - Jamie Goodson - 1955 MGTF 1500

Second: Robert Weston - 1952 MGTD

Third: Jim Barry 1959 AH Sprite

MG Custom/Modified

First: Paul Zink- 1970 MGB SCCA racer

Crowd Favorite: Ira Cohen - 1960 MGA 1600 with toy car display

From what I have heard from attendants everyone enjoyed the day. I want to thank Steve Mackay and Chris Devine for helping set up early on Saturday and Ira Cohen for bringing all the signs and other bits that make the show go. I also want to thank John Gill and Ira Cohen for making the registration and ballot counting go smoothly. I also want to apologize for the mix up in the 1963 - 1967 MGB class since we did not separate the cars very well and there were cars in that class that should have been in a different class. We also has some non-MGs in "Other MG" class, so, next year we will probably have an "Other British" class. There was plenty of discussion about the features of each car and lots of technical discussion as well as swapping of stories. Those who attended without a car to see the MGs all seemed to have a story as well about cars they used to have. It was great to see cars from clubs in Cape Cod, Connecticut, British Cars of New Hampshire, Boston Area MG Club, MG T-Party, and of course, the Bay State MGA Club. I am sure I am missing some of the club names, but I am glad that the word is getting out to come to MG Day. Lets all make sure we get out there and drive our cars while the weather is still nice.

Safety Fast,
Jack Horner
President, Bay State MGA Club
