

Results of MG/Rover Day at the Larz Anderson Auto Museum 2017

The Bay State MGA Club hosted MG Day at Larz Anderson Auto Museum in Brookline, MA on August 19, 2017. As last year, this year we offered more classes so, participants had more opportunities to win an award. The museum provided a sound system with music and participants were given entry into the museum to see the displays there. We closed the balloting at 12:30 and started announcing the winners at 1:00 pm. We picked the 50/50 raffle winner and then went into the general raffle before closing out the show around 2:00 pm. Here are the winners from MG Day:

MG Pre-war

None

MG T Post-war

First: Frank Hamm - 1960 Land Rover Series IIA 109 Pickup

Second: Adam Check - 1994 Land Rover Discovery (Camper top)

Crowd Favorite: James Goodson - 1955 MGTF 1500

From what I have heard from attendants everyone enjoyed the day. I want to thank Dick Fabrizio and John Gill for helping set up early on Saturday and Judy Pruitt for bringing

all the signs and other bits that make the show go. I also want to thank Dick, Andrew, and Cole Fabrizio and Ira Cohen for making the registration go smoothly and Dick, Ira and Judy for helping with ballot counting. We introduced a new class for non-MGs called "Other British" where we were able to place the Land Rovers and any other British marques. There was plenty of discussion about the features of each car and lots of technical discussion as well as swapping of stories. Those who attended without a car to see the MGs all seemed to have a story as well about cars they used to have. It was great to see cars from clubs in Cape Cod British Car Club ,British Motor Cars of New England, Connecticut, British Cars of New Hampshire, Boston Area MG Club, MG T-Party, and of course, the Bay State MGA Club. I am sure I am missing some of the club names, but I am glad that the word is getting out to come to MG Day. If you know anyone with Rovers, let them know that his is also Rover Day! We can certainly create more awards if Rovers show up. Lets all make sure we get out there and drive our cars while the weather is still nice.

Safety Fast,
Jack Horner
President, Bay State MGA Club
