

BSMGAC and the MG T-Party Spring Drive to Maudslay State Park

May 27, 2017 was a beautiful day for a drive in the MGA. I drove to Wilmington, MA for the start of the driving tour to Maudslay State Park and met up with Roy and Jane Crane in their MGA and Charles Dyer in his TR6. Roy led the way on his North Shore route toward Newburyport and we met up with Bob and June Jolin in their MGC Roadster. We arrived at the park just before noon and met up with Andrew Bass and his wife (in his Ferrari). Bob Daugherty met up with us as well in his MGTD. We were able to find a picnic table in the shade not too far from the cars and enjoyed a nice picnic lunch and a chance to swap stories. After lunch some of us took a walk around part of the park, down to the river and to the old stone arch bridge before heading back to the cars for our rides home. We were able to meet up with Brian Denis who is in the process of restoring his MGA but was driving his MGB. He often comes to the park with his dog and it appeared that his dog loves riding in the MG. It was a very nice day to be out in the cars and it was good company as well. We have additional plans for combined club events in the future.

Safety Fast,
Jack Horner
President, Bay State MGA Club
