

## Bay State MGA Club Garage Tour and Scenic Drive

As proposed at the Annual Planning Meeting the BSMGAC will have a Garage Tour of three member's garages on June 16, 2019 (Father's Day). This will be a great opportunity for fathers and sons to get out together for a little drive in the countryside. The drive will start at Johnson's Restaurant and Dairy Bar at 164 Boston Rd, Groton, MA 01450. This is on Route 119 a little east of downtown Groton. We will meet at 10:00 am and leave Johnson's at 10:30. This will give folks a chance to grab a coffee or snack before the drive. Our first stop will be a short distance away at Dennis and Prebble Eklof's. Then we will head to Littleton, MA to John and Carole Gill's garage. From there we will take the back roads to Bolton, MA to the home of Chuck O'Neal for our final stop. Chuck has volunteered to have snacks and libations there. We are inviting the MG T-Party to join our tour. Feel free to join us for the entire tour or for any portion of it. This is a rain or shine event, so, if we have inclement weather, feel free to drive your daily car. You should be able to reach me by cell phone at 978-399-4059 if you want to locate us and meet up somewhere along the way. I look forward to seeing many of you on the drive.

Safety Fast,  
Jack Horner  
President, Bay State MGA Club
