

Bay State MGA Club visit to Codman Estate with the Central MA Ford Model T

The Bay State MGA Club has been invited to join the Central Mass Model T Club with a trip to the Codman Estate Antique Auto and Classic Car Show on July 21, 2019. Dana and Kathy Booth have arranged for us to meet and have coffee and pastry at 8:00 am at their house. At 9:15 we will tour over to the Codman House in Lincoln, MA which is about 12 miles away. Here is a link to the show: <https://my.historicnewengland.org/2764/3164>

There is a \$10 per car admission fee which includes admission to tour the first floor of the mansion house. We plan to leave around 12:00 and tour back to the Booth's home for a potluck cookout (burgers and dogs will be provided). Please coordinate what to bring with Dana and Kathy by contacting them at 978-369-5702 or email dana.a.booth@gmail.com. The Booth home is located at 44 River Road, Carlisle, MA. This is just off Rt 225 just west of where the road crosses the Concord River.

There will probably be 10 Ford Model Ts, with room for passengers. If you don't want to drive your MGA, you can ride in one of the Ts.

If you want to join us at the Codman Estate, you can come a bit later. Here are directions: From Route I-95/Route 128, take Route 2 West 4.5 miles to Route 126 East past Walden Pond. Take the third left on Codman Road. Codman Estate is .5 miles on the left.

You can also just come to the Booth's for the lunch starting around 1:00 pm. I look forward to seeing you all. This event is subject to weather. I will send out an email if there is a cancellation or change.

Safety Fast,
Jack Horner
President, Bay State MGA Club

Some Model Ts and an MGA at the Codman Estate
