

2019 Cruisin' for Crustaceans Report

The day after MG Rover Day the MG T Party hosted the annual Cruisin' for Crustaceans drive to Newick's Lobster House in Dover, NH. On August 18, 2019 Jan and I drive the MGA Coupe on the back roads to Dover, NH. Chuck and Debbie followed in their MGA 1600 MKII. We took Route 102 through NH to Route 156, then Route 152 to Route 108 and finally Route 4 to Dover. It was a beautiful drive with some "spirited" driving as we were running a bit late. We arrived on time and joined up with the MG T-Party for a sumptuous repast of seafood (and too many french fries! It was a pretty hot day and we varied the route on the way back to avoid some of the small towns. This is the longest trip the MGA Coupe has been on since I completed it last year, so, it was a good feeling to know how well it did on the longer trip and in hot weather. It is always nice getting together with both clubs and catching up with friends over good food.

Safety Fast,
Jack Horner
President, Bay State MGA Club
