

July Events Report

Our first event in July was a get together with the Mid-State Ford Model T club at the Codman Estate Antique Auto and Classic Car Show in Lincoln, MA on July 21st. We met first at Dana and Kathy Booth's in Carlisle and then caravanned over to the show. We then caravanned back and had a pot luck lunch at the Booth's and Dana had is annual raffle of stuff. Everyone had a good time and it was great to meet up with members of the Model T club and renew acquaintances. Thanks again to Dana and Kathy for hosting this event.

On July 27 I drove my MGA Coupe to the British Cars of New Hampshire Show of Dreams in Hudson, NH. We had a good turnout of MGAs and BSMGAC had 4 club member's cars there. Member Dave Beckwith had his car there and this is the first time I had seen his car. Bob Peate and Dennis Eklof both had their cars there (Bob took a prize), and I had the Coupe. The show was well attended and I was able to meet up with quite a few MG owners I had not seen in a while.

July 28 was our BSMGAC Summer Picnic at John and Carole Gill's in Littleton, MA. We had a good turnout of members and some guests. We had several MGAs, a Morris Minor, an AH 100, an MGB, as well as every day cars. It was a warm day but John had set up a couple of tents for shade and we had a nice breeze to help keeps us cool. As last year, Chris and Sarah did the grilling and there was plenty to eat and drink. Thanks again to John and Carole for hosting this year.
