

## More NAMGAR Drive your MGA Day

This year NAMGAR's Drive Your MGA Day fell on May 2, 2020. Since we cannot have groups gathering I encouraged each of our club members to get the MGA out and take a drive (with physical distancing in mind). Some members were not able to get out on Saturday, but they did get out on Sunday, May 3. Besides Jan and myself in our 1960 MGA Coupe, and Geoff and Andrea Rogers (see other article) there was Michael and Ryuko Rosen, Chuck O'Neal and Deb, Bob Peate, Brian and Gale Denis, John Gill, and Larry and Johanna Berk. I don't have pictures for all the drivers, but here are some pictures of some of our members and cars.
