

## Bay State MGA Club goes to British Car Day 2021

It was a beautiful day on August 11, 2021 for British Car Day at Larz Anderson Auto Museum event field. I drove my 1960 MGA 1600 coupe onto the field behind Don Blaiz in his 1959 MGA1500 roadster. Since the museum does not park cars by classes, we had an early Midget next to us and some of our other club members were parked in the side field. I tried to get around to see all the MGAs on the field and visited with new members Scot and Dan Stewart with a 1958 MGA 1500 roadster as well as Larry Guelfo and his wife in their 1960 MGA 1600 roadster. There was another MGA belonging to Saul Cohen and I gave him some club info in case he wants to join the club.

Mitch Macey was there with his 1980 MGB LE. I also talked with Ira Cohen who did not have his car with him. I visited with Frank Cronin with his MGTF from the MG T Party as well as Mike Crawford of the Boston Area MG Club and Deb Sweet from British Cars of New Hampshire. There were a number of other folks from various clubs that I spoke with and the entire event was nice to just get out and visit with people after the lockdown last year.
