

Bay State MGA Club Event Participation

Members of the club participated in two events recently. The first was the British Cars of New Hampshire "Show of Dreams" in Hudson, NH at the Alvirne High School parking lot on July 22, 2023. The field was too wet to have the show across the street, so, it was moved to the parking lot which worked out very well. There were a lot of cars of many British marques as well as some non-British iron there. Gary Jones had his MGA at the head of the line after having driven it in "The Great Race" from St. Augustine, Florida to Colorado Springs, CO. I had my MG TC there for the first time. Roy Crane had his AH 100 there. It was great seeing all the cars as well as meeting up with various other club members that we have not seen in a while.

The other event was the MG T-Party "Cruizin' for Crustaceans" on August 5, 2023. Kathy and Dana Booth met at my house with Chuck O'Neal and Debbie for a back roads drive to Newick's in Dover, NH. Jan and I drove my MGA roadster and we met up with Gary and Terri Jones in Hudson for the drive north. We took Route 102 up to Raymond and then took Route 156 north from there and then Route 152 east to Route 108 north and then Route 4 east to the parking lot of Newick's. We met up with members of the MG T-Party there as well as members of BCNH for a nice seafood lunch. It was a great day for a drive after all the rain we have had in June and July. Again, it was great to catch up with a lot of folks we have not seen in a while. We returned on a slightly different route, but again it was a great drive. It is always good to get the cars out for a good run now and then.

With the Historic Festival at Lime Rock Park, CT coming up celebrating 100 years of MG over Labor Day weekend and also the British Invasion in Stowe, VT coming up the third weekend in September we will have more driving opportunities. I hope to see many of you there at these events.
