

Joint MG T-Party & BSMGAC
2026 Events Planning Meeting &
Winter Potluck Lunch

Sunday, March 29th, 2026

12:00 noon meet and greet

We will start with the Potluck Lunch shortly after 12:00 pm; the joint event planning session will start around 1 pm and go until about 3 pm.

@ The home of Ned and Ellen Sparrow, 4 Lakeview Dr. Shirley, MA.

Join us for our 2026 kick-off meeting and event planning session. Come with ideas, and suggestions as we get down to work setting up the year's events. We specially invite all of our members to participate to catch up with one another for this in-person meeting. Please bring a tasty lunch dish, finger sandwiches, side salad, or other appetizers, or a dessert to share. You may, but do not need to coordinate or share 'what you'll bring' with Ned by contacting him by email sparrowned@gmail.com. We will be indoors! In the event of poor New England weather (entirely possible in March), a planned Snow Date for the event will be announced later and we will send out an email to the membership if we need to cancel due to weather, or make any changes to the date.

Feel free to contact me (dyer-charles@comcast.net) and/or Jack Horner (fredmhorner@gmail.com) with ideas for events this year, beforehand, particularly if you are not able to make it to the meeting. We will be joining forces with members of **The Bay State MGA Car Club** to combine our events, extending an open invitation to all, with the hope we may increase participation and give more options for our members to find an event suited to their liking, geography, and individual interests. We will focus on some planned drives to some favorite dining spots, or maybe just heading out on backroads into the countryside with picnic baskets in tow, to a scenic spot or park. That, and of course, we will also identify, list, and plan to return to some of our traditional car show event venues. Last year, we had a trip to a NH winery, a central MA Native American art museum, a sailing trip on a classic wooden schooner, a maple syrup breakfast run, as well as our ever-popular Lobster "Bake" drive-in, an historic rail excursion in NH, and our traditional Holiday Party, among other events. What would you like to do this year?
