

Bay State MGA Club and MG T Party Cruisin' for Crustaceans Drive

August 21, 2016 the New England MG T Party has invited the Bay State MGA Club to participate with them on a drive from Wilmington, MA to Plum Island, MA to Bob's Lobster for a lobster "Lunner" (late Lunch/early Dinner).

We plan departure from the Wilmington Arts Center at 1:00pm. Plan to arrive at the parking lot between 12:30pm and 1:00pm We will then drive to Bob's Lobster (<http://www.boblobster.com>) in Newburyport "on the way to and from Plum Island". RSVP to Bob Dougherty (rdocmg@gmail.com or 603-948-2078) if you wish to attend so that Bob and let the restaurant know how many to expect.

Roy's phone number is 978-658-9798 and mine is 978-399-4059 if you are running late and need us to wait. You can also plan your own route and meet us about 2:00pm at the Bob's: 49 Plum Island Turnpike, Newbury, MA. Bob's also has lots of other seafood and other non-seafood items on the menu if you don't care to have lobster. Please note that Bob's does not serve alcohol, so, if you want it BYOB.

The address of the Arts Center is 219 Middlesex Avenue. Middlesex Avenue, at this point, is route 62. For those coming to route 62, by route 93, the Art Center is on the left, 1.4 miles to the west of route 93. For those coming to route 62 by route 38, the Arts Center is on the right, 1.1 miles to the east of route 38. Route 62 is Middlesex Avenue on the route 93 side of the Arts center, route 62 changes its name to Church Street at the intersection of route 38. The Art Center is a white building, in front of a cemetery and across the street from a large white church. A sign attached to the front of the building identifies the Arts Center. We hope we will have enough parking at the Arts Center, as the Church does use it as an overflow lot on Sunday mornings.

I am looking forward to seeing you all there. Please feel free to drive a non-British car if your MG is not on the road.

Safety Fast,

Jack Horner
President, Bay State MGA Club

MGs on the way to Newbury, MA in 2015
